

YOUR HYGIENE SUPPLIES PARTNER

“Always Sparkling.”

www.hygieneprosolutions.com

About Us

HygienePro is a sanitary disposal, washroom products and automotive chemicals supplier. We specialize in corporate and residential sanitary collection. Our products and services are environmentally friendly and help improve hygiene. At HygienePro we understand your desire to work in a sparkling and stress-free environment. Our efforts are designed to turn your workplace into a clean, fresh, enjoyable environment for both staff and customers.

About Our Products & Services

SANITARY DISPOSAL SERVICES

Sanitary waste poses a huge threat to the workplace. Even if sanitary bins are emptied and cleaned regularly, they are still dangerous to staff and visitors as they require to be disposed of in a safe and proper manner, which is why using a professional disposal service is preferred for all organizations.
